SOUTHERN MEDICAL HOUSE.
DR. SHUMAN has, after an experience of ten
years, established the above refuge from
quackery, self-labelled Indian or German doc-
tors, and pretenders of witchcraft and impostors
in general.
This is the only place where a sure and speedy
cure can be obtained in the world for all improp-
er and evil habits, gonorrhea, gleet, seminal
weakness, syphilis, primary, secondary, and ter-
tiary, organic weakness, pains in the lins, stric-
tures, general debility, prostration, nervousness,
restless nights, palpitation of the heart, ringing
in the ears, loss of memory, confusion, me-
ancholy, affections of the head, throat, nose, and
skin, and all those peculiar disorders arising
from the indiscretion of youth, rendering them
unfit for either business, study, society, or mar-
riage.
Dr. S. has the greatest remedies in the known
world for diseases of the blood, gonorrhea, gleet,
strictures, syphilis, seminal weakness, self-abuse,
&c. There is no case in which they fail to cure
in from 3 to 6 days.
Victims of these horrible complaints, who
would wish to be valuable men and ornaments
to society, should embrace the earliest opportu-
nity for relief.
Dr. Shuman has made the most complete ar-
rangements for the comfort of his patients who
come from a distance. They will be furnished
with the most pleasant and agreeable quarters,
necessary diet, and made as comfortable as they
would be at a first-class hotel at less than half
the cost.
Do not forget the name and number. Dr. Shu-
man's office is on the corner of Sixth street and
Pennsylvania avenue, Clarendon Hotel, opposite
the National Hotel, Washington, D. C.
Persons at a distance should enclose stamp
for return postage. Office hours, 9 A. M. to 10
P. M.
Persons who have been enticed from my insti-
tution by certain swindlers on back streets
in this city, who will rue it till the day of their
death. A word to the wise is sufficient.

Weakness or Debility, Flatulency and Nausea,
Loss of Appetite, Nervousness, Liver Com-
plaints, Bilious Fevers, and all Diseases
of the Stomach, Liver, and Bowels.
AS A PREVENTIVE FOR FEVER AND AGUE,
THESE BITTERS ARE NOT EQUALLED.
W. F. & A. W. GREELEY, Proprietors, Boston.

THE OBJECT of all medicine is either to pre-
vent disease, or to assist Nature in restoring the
various organs of the body to a healthful action,
and that medicine is certainly the best which
will perform those offices thoroughly, yet mildly,
and without endangering the vital forces of the
system, by whose normal condition alone health
and strength can be preserved. Most of the Bit-
ters that have heretofore been brought into pop-
ular favor, have only served the purpose of tem-
porarily stimulating or exciting the organs into
a condition resembling healthful action, without
any remedial effect, and generally followed by a
return of the disease, or a prostration of nervous
energy more disastrous than though Nature had
been left to take its own course.

Dr. Greeley's Bitters are a preparation of the
nutritive properties of the grain of the fields in
combination with the active principle of many
simple alteratives and bitter tonics, and it is a
pleasure to the proprietors to state that its use-
fulness is being generally acknowledged by the
largely-increasing consumption in those sections
where it is best known, and by the testimony of
many eminent physicians, who have not only
made trial of it, but continually prescribe the
Bitters in those cases for which it is recom-
mended.

**AGED PEOPLE, AND ALL WEAKLY PER-
SONS,**
Consumptive patients, and others, whose con-
stitutions have become impaired by time, or en-
feebled by disease, and in whom the process of
digestion does not replace the fat and tissues of
the body as fast as they waste, will find these
Bitters at once nourishing and strengthening,
and happily adapted for their use. The great
advantage the Bitters possess over ordinary
stimulants usually prescribed in treating lung
complaints and kindred diseases, is the fact that
they combine many safe and certain healing
properties in connection with the best known
stimulant.

DELICATE LADIES
Will derive great benefit from it. No unpleasant
effect will ever result from taking the Bitters, if
the directions are followed. For those who suf-
fer from nervous debility, languor, want of rest
and exhaustion, and in all cases of weakness, the
Bitters are not equalled.
As an agreeable stomachic, it is much ad-
mired; it sharpens the appetite, brightens the
intellect, and infuses new life and vigor. No one
who uses these Bitters can be subject to an at-
tack of FEVER and AGUE, or DIARRHŒA.
Of all the ills that afflict men and women, few
are so agonizing as Dyspepsia. It is a sort of
combination of many diseases. Thanks to science
and Dr. GREELEY, a specific has now been ob-
tained. GREELEY'S BOURBON BITTERS take straight
hold of the disease, and begin a cure. Thou-
sands of well-attested cases of cures of Dyspep-
sia, Indigestion, and Fever and Ague, even of
the most desperate kind, are in the possession of
the proprietors.

Not a few people, everywhere, complain of
Weakness or Debility. This is the gentle hint
of nature for a little help in the way of invigora-
tion. The hint should not be neglected. "A
stitch in time saves nine." Get a supply of GREE-
LEY'S BOURBON BITTERS, take them regularly, and
our word for it you will feel better, live longer, be
stronger, and think and act with very much more
satisfaction. The Bitters are a tonic, and of a
nature never before attained in any medicine. It
will make the weak strong, the desponding hope-
ful, the sick well. For any complaint of the
Stomach, Liver, or Bowels, there is nothing com-
parable with this medicine.
In America, the Liver is the best abused of all
the organs in the body. It is made the saddle
of all other organs. As a consequence, it is often
out of order, and not unfrequently nearly inopera-
tive. This need not be; on the contrary, it is quite
unnecessary. A little common sense, and a suf-
ficiency of GREELEY'S BOURBON BITTERS, will keep
the Liver right, and make man a man, and a
woman, now miserable, quite happy. The Bitters
regulate and strengthen the Liver, no less than
purify it.

The increase of Nervous Disorders, at the pre-
sent day, is one of the most alarming indications
of the age, or rather, would be, were it not that
a most admirable cure had been found. There
is not a phase of Nervous disease, whatever it
may be, that these Bitters will not act upon
favorably, and in the most efficient manner. All
